

SHREE KHODIYAR GROUP OF COMPANIES

ESTD. 1964

Our Founder

LATE SHRI VRAJLAL P BHIMANI
Founder & Visionary

“ A Journey Continued”

“A seed, planted 62 years back by the Founder Shri Vrajlal P Bhimani , has grown into large spread, deep rooted strong tree, sheltering the entire group - **Shree Khodiyar Group.**”

Beginning as a modest enterprise, named “**Nutan Sanitation**”, in the year of 1964, at his tender age of 18 years, he labored and nourished the spectacular growth and phenomenal success of the conglomerate: **Shree Khodiyar Group.**

His Lifetime motto has remained unfaded with us:

“We shall strive to build **Shree Khodiyar Group**, into an exemplary corporate House, driven by commitment of customer satisfaction, by striving for excellence in the field of Construction Services, Creation of Knowledge and its application”.

Introduction

An integrated **MEP** Engineering Services provider, **Shree Khodiyar Group of Companies** is a progressive and professional consulting, Design and Engineering Services firm. Specializing in a broad range of technical services and innovative solutions, **Shree Khodiyar Group of Companies** always put efforts to provide the end-to-end Services to complex projects in India and Abroad. By employing the latest in technology, we always try to stay on the cutting edge of sustainable design practices. Our expert and forward-thinking workforce builds upon the company's core belief in safe and high-quality execution of the projects.

With more than 62 years of experience in providing specialized Engineering Services, we ensure smooth and efficient execution of the projects within the time frame with safety and quality. With an experience in broad range of projects that include Commercial Buildings, Educational Buildings, Healthcare Facilities, Advanced Technology Buildings and Institutional Facilities we deliver a safe and comfortable environment. Our core **business is Mechanical, Electrical and Public Health Services (MEP)**, also known as building services engineering. We are highly experienced in designing **MEP systems** across all sectors. We employ and develop some of the most talented engineers in the Industry and our engineers, supported by our specialist teams, deliver exceptional building services solutions. Our reputation for innovative design, backed up with strong delivery, underpins our ability to create long standing relationship with our clients.

Our capability in various Projects Include:

- ❖ Corporate Houses, Office Complexes and Banks
- ❖ IT Parks and Software Tech Parks
- ❖ Hotels and Resorts
- ❖ Hospitals, Laboratories, R & D Centers, Pharmaceuticals
- ❖ Theaters, Multiplexes and Memorials
- ❖ Malls and Marketing Yards
- ❖ International Airports
- ❖ Residential Townships and Housing Complexes
- ❖ Manufacturing and Assembly Plants
- ❖ Stadium and Sports Complexes
- ❖ Industrial Estate and Trade Zones
- ❖ Consulate and Legislatures
- ❖ Institutions

The Group has built up a high-performance team of experienced, talented and adoptable personnel's in operational readiness to work on turnkey projects, at a short notice that too anywhere in country as well as for off shore project.

- ❖ Meeting Customer expectations for end-to-end responsibility.
- ❖ Assure our valued customers, international quality workmanship and productivity with honoring project schedule.
- ❖ Following the industry safety & quality norms to meet customer expectations.
- ❖ Contribute towards sustained growth of industries & advancement of technology.
- ❖ Special emphasis on training & development in human resources for adoption of latest technologies & trends in industry.
- ❖ Help in setting regulation and fair-trade norms for construction & utility industries.
- ❖ Address environment hazards of modern age by adopting Green Field Technology.

Our Specialized Field of Operations

- ❖ Public Health Engineering (PHE)
- ❖ Fire Protection Services (FPS) & Fire Detection System (FDS)
- ❖ Electrical Engineering Services
- ❖ HVAC Engineering Services

Shri Dilip V Bhimani

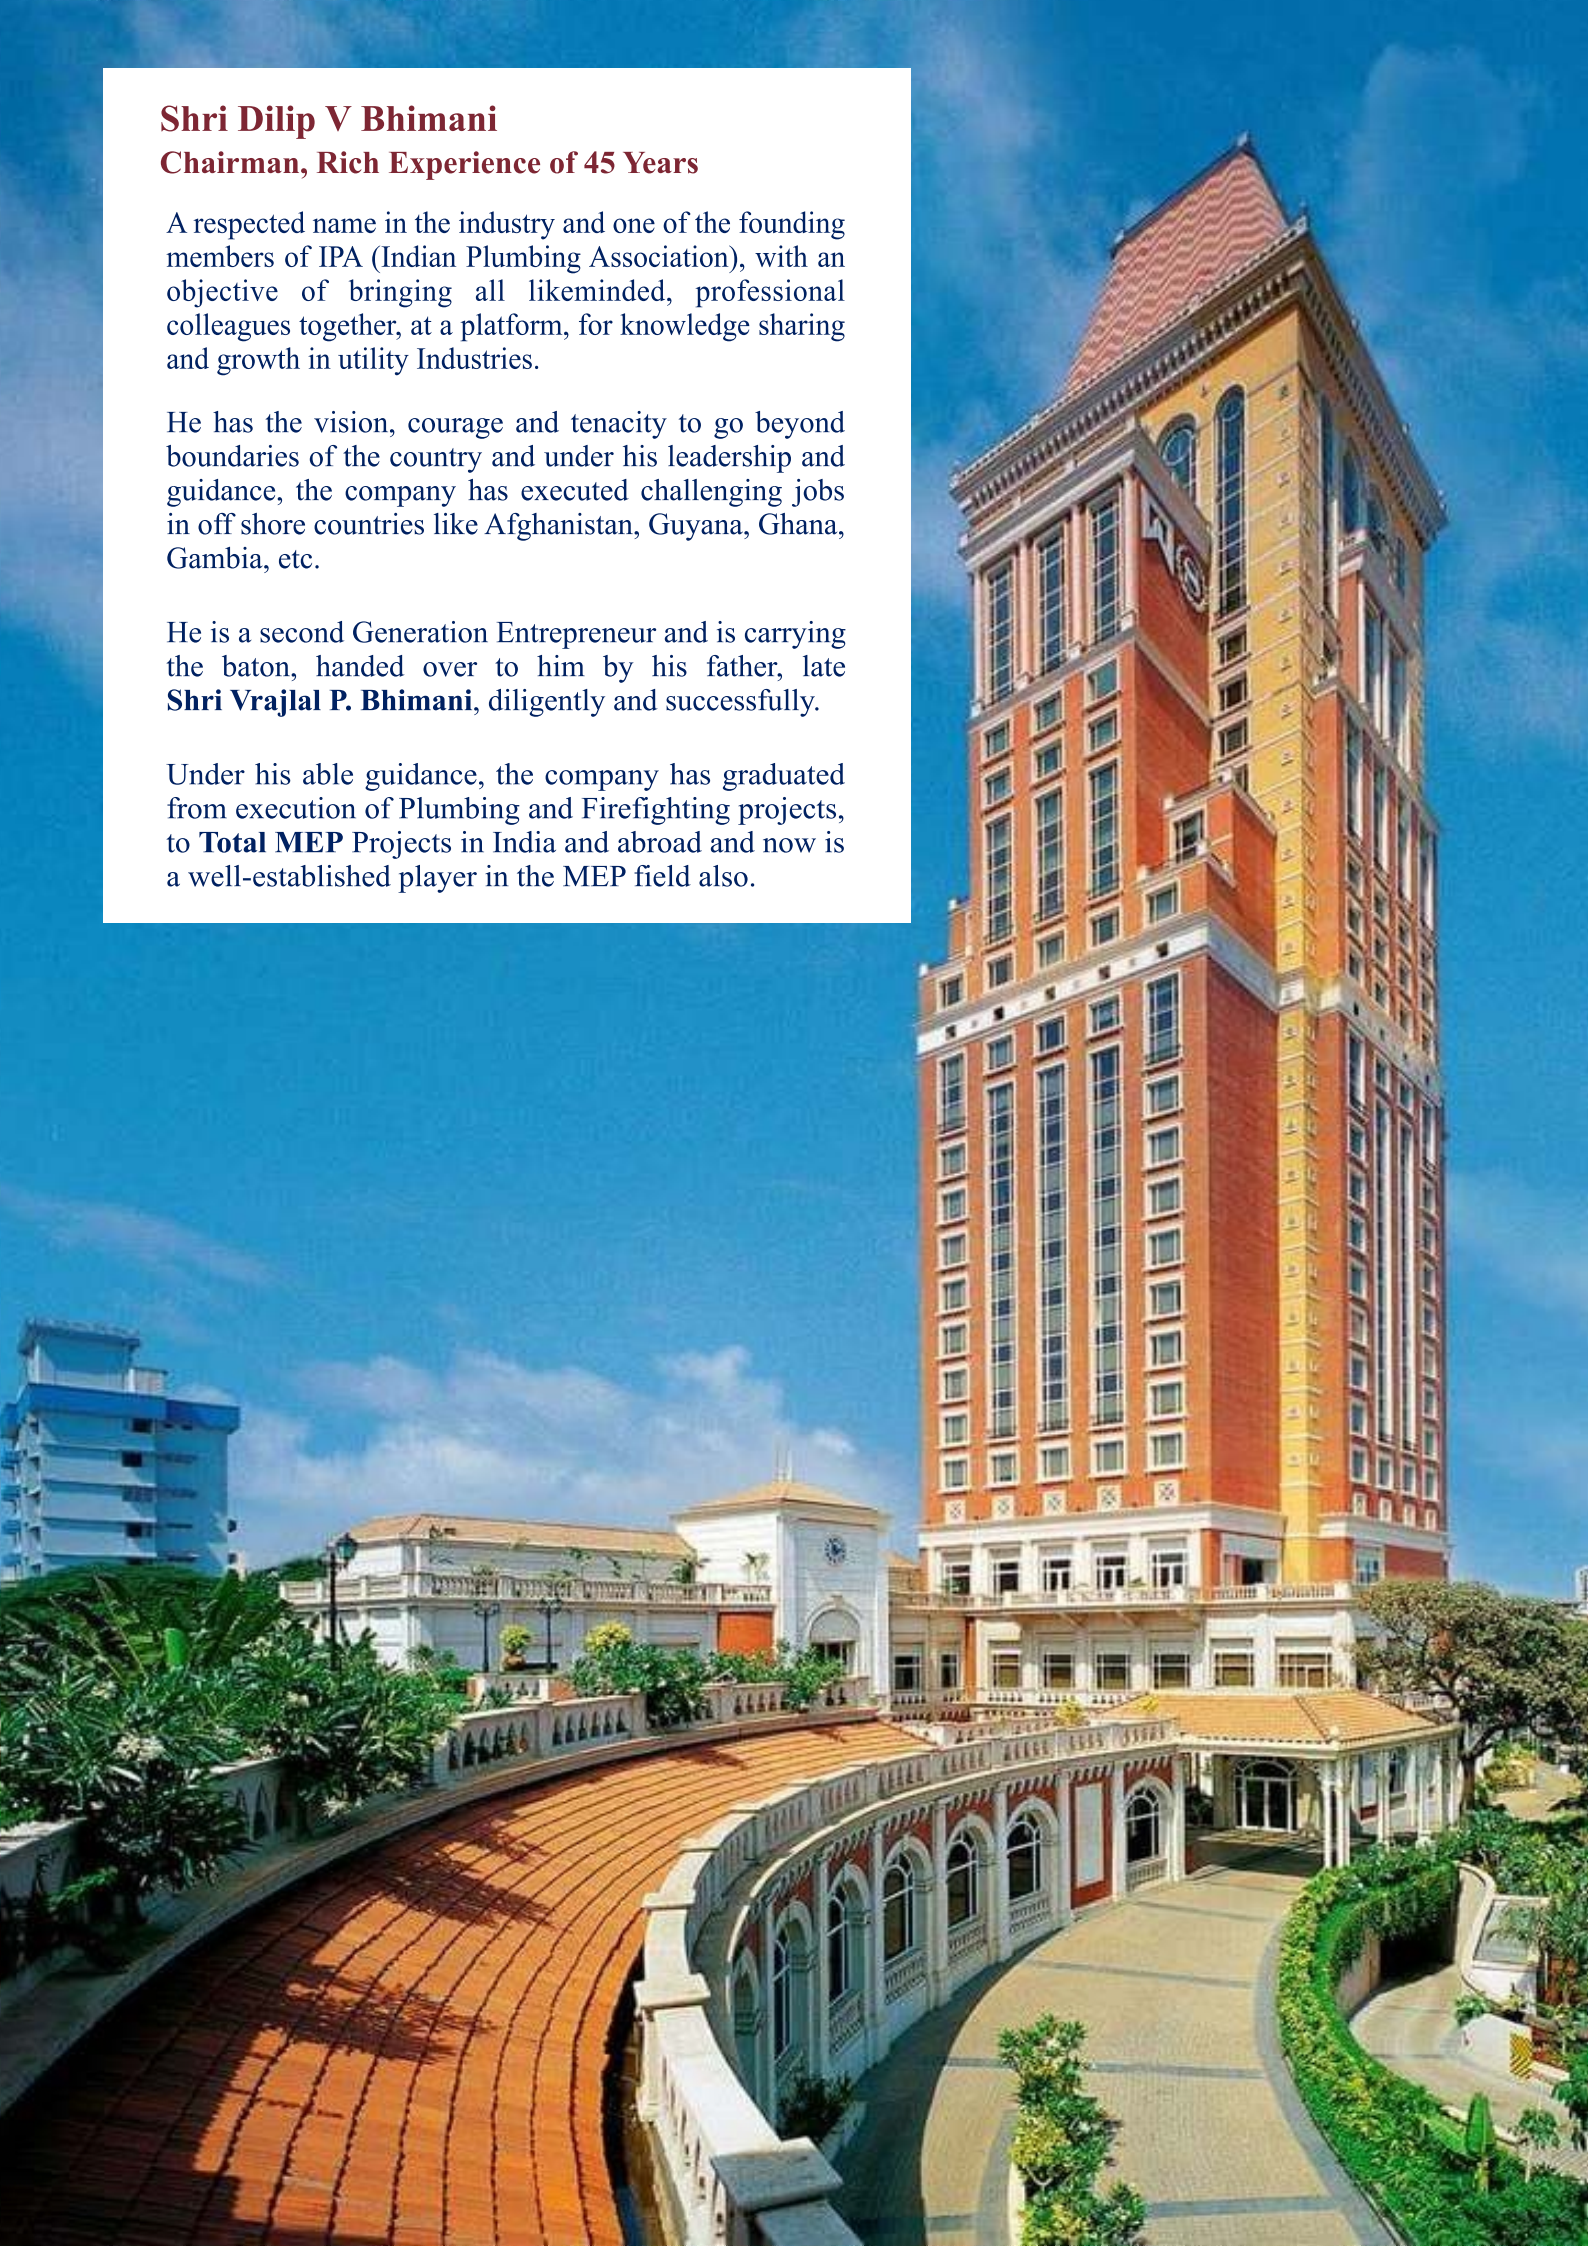

Chairman, Rich Experience of 45 Years

A respected name in the industry and one of the founding members of IPA (Indian Plumbing Association), with an objective of bringing all likeminded, professional colleagues together, at a platform, for knowledge sharing and growth in utility Industries.

He has the vision, courage and tenacity to go beyond boundaries of the country and under his leadership and guidance, the company has executed challenging jobs in off shore countries like Afghanistan, Guyana, Ghana, Gambia, etc.

He is a second Generation Entrepreneur and is carrying the baton, handed over to him by his father, late **Shri Vrajlal P. Bhimani**, diligently and successfully.

Under his able guidance, the company has graduated from execution of Plumbing and Firefighting projects, to **Total MEP Projects** in India and abroad and now is a well-established player in the MEP field also.

KEY PERSONNEL

MR PRABHAT KUMAR RAKHEJA, FIE **Executive Director**

Mr. Prabhat Kumar Rakheja, FIE, Executive Director, is a distinguished engineering and real estate professional with extensive experience in infrastructure development and project management. As a Fellow of the Institution of Engineers (FIE), he brings strong technical expertise and strategic insight to his role. He has held senior leadership positions and previously headed the North Region for Shapoorji Pallonji. His professional experience includes working across Afghanistan, Iraq, Thailand, and Singapore, giving him valuable international exposure. Known for his integrity, leadership, and forward-thinking approach, he has contributed to several significant projects. He combines technical knowledge with strong business acumen and a results-oriented mindset. As Executive Director, he continues to drive excellence, innovation, and sustainable growth.

MR RAMCHANDRA KAMBALE. Mechanical Diploma **Project Director- West**

Mr. Ramchandra Kambale is a highly experienced professional with over 39 years of extensive experience in PHE & Fire Fighting (FF) works. He has an exemplary track record of leading teams effectively, achieving project targets, and driving successful project outcomes. He actively contributes to project planning and strategic decision-making and possesses rich expertise in Design, Planning, Execution, Coordination, and Successful Project Handover. His extensive project portfolio includes High-Rise Residential & Commercial Towers, 5-Star Hotels, Malls, Townships, IT Parks, and Industrial Projects. With strong technical knowledge, leadership capabilities, and extensive field experience, he has consistently delivered projects with a focus on quality, efficiency, timely completion, and client satisfaction.

MR VISWANATHAN S ELAVATHUR, B Tech (Electrical Engg) **Regional Director - South**

Mr. Viswanathan S. Elavathur is a seasoned professional with over 37 years of extensive experience in Project Management of High Voltage Substations, Building Construction, MEP Projects, and Business Development. As an MEP Project Management expert, he has handled overall project management, design and drawing reviews, BOQ & specification evaluation, value engineering, estimation, costing, budgeting, equipment selection, and MEP site execution. He has strong experience in coordinating with consultants, architects, contractors, and construction teams, along with equipment cost negotiations. His expertise also includes Vendor Development & Management, Health & Safety Management, Contractor & Consultant Evaluation, and Statutory Authority Liaison. With his strong technical, commercial, and leadership capabilities, he plays a key role in ensuring efficient project execution, cost optimization, regulatory compliance, and successful project delivery.

Mr. SHYAMDAS PAL **Project Coordinator-Design & Execution**

Mr. Shyamdas Pal is an accomplished Project Coordinator-Design & Execution with over 35 years of extensive hands-on and leadership experience in PHE and Fire Protection Systems. He has expertise in Design, Estimation, Execution, Site Coordination, and Project Management. He has successfully handled projects across Industrial, Commercial, Hospitality, Institutional, and Infrastructure sectors. His notable project experience includes RIL Jamnagar, Tata Motors Sanand, Power Plant–Sonbhadra, UP, L&T Township Raipur, and Birla Refinery Mangalore, IIT Powai, Bharat Hotel Andheri, Grand Hyatt Mumbai, and Taj Wellington Mews Mumbai Etc. With strong technical knowledge and practical field experience, he is skilled in project coordination, team management, quality control, safety, and timely project execution.

MR RITESH GUPTA, MBA, B E (Mech. Engg) **Project Director- North**

Mr. Ritesh Gupta is an accomplished professional with over 25 years of rich experience in MEP Projects, Technical Support, Execution, Testing & Commissioning, Electromechanical Equipment, and Personnel Management. He joined Shree Khodiyar in 2017 and has been instrumental in managing and executing major MEP projects. Prior to joining Shree Khodiyar, he gained extensive experience with Kirloskar Group, Pune; ETA Group, Dubai; Shapoorji Pallonji Co., New Delhi; and AJM Kooheji Group, Bahrain. His notable project experience includes Noida International Airport, Jewar, TRIL IT Park Gurugram, Tech Mahindra Noida, and TCS Lucerna Noida, among others. With strong technical, managerial, and leadership capabilities, he effectively oversees project execution, coordination, testing & commissioning, and team management to ensure timely and successful project delivery.

MR VISHESH MISHRA, Project Management (MBA), B.Tech, and Diploma in Mechanical Engineering. **Deputy General Manager**

Mr. Vishesh Mishra is an accomplished professional with over 21 years of rich experience in MEP Execution, Planning, Billing, Project Management, and Building Maintenance. He has extensive experience in managing large-scale residential and commercial projects across Delhi NCR. He has held leadership positions with reputed organizations including D.S. Gupta Constructions Pvt. Ltd., Blue Star Ltd., Tulip Infratech Pvt. Ltd., Supertech Limited, Amaatra Homes Ltd., Gaursons India Ltd., Ahluwalia Contracts India Ltd., and Shree Khodiyar Group. Currently, he is leading the Infosys Limited project, driving efficient project execution and coordination. His key strengths include site management, planning, cost control, execution, billing, and cross-functional coordination, making him a strong and valuable leader in MEP project management.

Health, Safety & Environment Policy

We are committed to provide a Safe workplace, protect the Environment, and achieve High Standard of Occupational Health for all our Employees, Labors and all stake holders.

To achieve this, we shall:

- ❖ **Eliminate all the Acts and Conditions which may permanently alter a person's life, to minimize and ultimately eliminate Lost-time accidents at our work locations.**
- ❖ **Ensure Compliance to relevant Statutory, Contractual, & Regulatory obligations.**
- ❖ **Provide appropriate training to our employees and stake holders.**
- ❖ **Allocate resources to Improve HSE Performance.**
- ❖ **Set targets and review results on a regular basis with the aim of continually improving our HSE performance**
- ❖ **Employees are made aware of their individual Health & Safety responsibilities and to extend the awareness, acceptance, and implementation of HSE system to all stake holders.**

Dilip V Bhimani
Chairman

SHREE KHODIYAR GROUP OF COMPANIES

Quality Policy

Quality management is central to all our activities. We are committed to High Quality in all our operations to fulfill our commitments, we shall:

- ❖ **Provide superior services to our customers to understand, respond to their needs, and take required action to meet their expectations.**
- ❖ **Maintain comprehensive quality systems and monitoring the project performance by compliance to all Regulatory and Contractual obligations.**
- ❖ **Ensure that Employees are trained to do their jobs and are encouraged to participate in quality improvement initiatives.**
- ❖ **Extend awareness, acceptance, and implementation of quality systems to all stake holders concerned.**
- ❖ **Allocate appropriate resources to meet quality bench marks.**
- ❖ **Set targets and review results, at pre-defined intervals with the aim of continuous improvement in our performance.**
- ❖ **Provide appropriate training to all stake holders in the operation of quality management systems.**
- ❖ **Set Target for reduction in wastage of material and other resources.**
- ❖ **Encourage a philosophy of doing things “RIGHT AT FIRST TIME”**
